The screenshot displays a web-based dental software interface. At the top, the logo 'me DENT-COUNSEL-IND' is on the left, 'Tri-Hawk India' is in the center, and a 'Logout' button is on the right. A navigation menu on the left side lists various dental specialties: Oral Surgery, Restorative, Implant, Prophylaxis, Periodontics, Prosthetics, Pediatric, and General. The 'Root Canal Treatment' section is expanded, showing sub-options: Root Canal Treatment, Molar RCT, Preventive RCT, Avoiding RCT, and Apicoectomy. Below the menu is a language selection area with buttons for English, Hindi, Marathi, Gujarati, Kannada, Malayalam, Tamil, Telugu, Bengali, and Punjabi. The main content area features a 3D anatomical diagram of a tooth with a root canal being treated. The interface also includes a 'Logout' button, a 'Tri-Hawk India' logo, and a Windows watermark.

.....and show the patient to agree to your treatment modality.
